

# Fanz Unlimited Network - Mega Build Plan

## 1. Branding & Multi-Platform Structure

- Parent brand: Fanz Unlimited Network with sub-platforms: BoyFanz, PupFanz, GirlFanz, RecoveryFanz
- Unique logo & theme colors for each sub-platform
- Separate domains/subdomains for each
- Independent fan/creator sign-ups but with SSO universal login
- Unified backend admin panel for all platforms
- MojoCDN, MojoSign, MojoHost integrations

## 2. User Roles & Permissions

- Fan: Free registration, follow creators, subscribe, request content, tip
- Creator: Identity/age verification (2257), analytics, uploads, geolocation toggle
- Admin: Manage users, payments, disputes, content
- Moderator: Limited review/moderation tools

## 3. Core Features

- Custom content requests: Fans specify type, offer, requirements. Creators Accept/Decline/Counter
- Payment escrow until admin approval
- Geolocation tools: "Find creators near me" + map view
- Content uploads: Video, image, audio, text. Auto-watermark
- Resolution: 480p-4K
- Live streaming with real-time tipping
- Messaging system with optional paid messages

## 4. Payments & Revenue

- Creators keep 100% of subscription money; admin can set a fixed fee across all subs
- Percentages for other transaction types
- Payment gateways: All ViserLab-supported + CCBill, Segpay, crypto
- Escrow logic for customs
- Payouts: Bank, PayPal, crypto

## 5. Compliance & Security

- Age verification with VerifyMyAge
- 2257 compliance storage/retrieval
- Screen recording prevention + watermark tracking
- DMCA reporting
- End-to-end encryption for messaging/media

# Fanz Unlimited Network - Mega Build Plan
