Fanz Unlimited Network (FUN) – Build Bible

A comprehensive specification of all modules, features, and functionalities for the Fanz ecosystem.

1. Core Platform & Structure

1.1 Single Sign-On (SSO): One account across all sub-brands, OAuth2/JWT, role-based access.

1.2 Multi-Tenant Architecture: Unique branding per tenant, shared authentication & wallet.

1.3 Unified Homepage / Portal: FUN-branded gateway to subsites, forums, events, wallets.

2. Core Fan & Creator Features

2.1 Subscription Social Feed: Tiered subscriptions, posts, PPV bundles, interactions.

2.2 Stories & Highlights: 24h stories, polls, highlights, interactive features.

2.3 Direct Messaging: Encrypted chats, PPV media, tip-to-unlock messages.

3. Creator Monetization Tools

3.1 FUNfluence Network: MLM referrals, affiliate dashboards, commission tracking.

3.2 FUNRequest: Custom content escrow system, admin approval, dispute handling.

3.3 PPV & Bundled Content: One-off purchases or content bundles.

3.4 Tips & Digital Gifts: Wallet tipping, animated gifts for streams.

3.5 FUNShop: Merch + digital downloads, limited drops.

3.6 NFTLab & Web3 Monetization: Mint NFTs, geo-drops, NFT as access passes.

3.7 Metalance Gigs: Smart-contract gigs, crypto escrow.

3.8 FUN Guarantee: 100% creator earnings on subscriptions; fans pay add-on fee.

4. Media & Streaming

4.1 FUNStream: VOD uploads, livestreams with tipping & DRM protection.

4.2 FUNClips: VIP short-form clips feed, PPV/tipping inside.

4.3 Watch Parties: Group pay-to-watch sessions with chat.

5. Events & Experiences

5.1 FUNStage: Ticketed events (online/in-person), QR entry, seat maps.

5.2 Apointer: Appointment booking, calendar sync, reminders.

5.3 Geo-Based Events: Local events displayed on FUNMap.

6. Community & Engagement

6.1 FUNForum: Discussion boards, creator-only collaboration forums.

6.2 FUNRank: Ratings & reviews, verified-purchase reviews, private ratings.

6.3 FUNGames: Competitions, raffles, geo-battles, fan voting.

7. Geolocation & Discovery

7.1 FUNMap: Live creator map, privacy radius, filters, in-map chat.

7.2 Open for Collab: Status toggle on map pins.

7.3 Hotzones: Temporary collab/event geofences.

8. Marketing & Growth

8.1 FUNReach: Email/SMS campaigns, funnels, short links.

8.2 Social Media Manager: Scheduled posts, safe-sharing with watermark.

8.3 SEO & Growth Tools: Profile SEO, admin-level platform optimization.

9. Wallets & Finance

9.1 XCash Wallet: Fiat/crypto top-ups, escrow for customs, tipping.

9.2 ViserCard (VIP Virtual Cards): Tiers unlocking features + payments.

9.3 Global Payments: 40+ gateways, fraud prevention, multi-currency.

10. Compliance & Security

10.1 Fanz Compliance: Global rules matrix, 18+ gating, region filters.

10.2 Fanz Legal: Model releases, contracts, vault for docs.

10.3 Moderation Tools: AI-assisted flagging, queues, dispute resolution.

10.4 Security Controls: DRM, watermarking, anti-recording measures.

11. Analytics & Intelligence

11.1 Creator Dashboard: Earnings, churn analytics, top content.

11.2 Admin Analytics: GMV, churn, gateway performance, compliance metrics.

11.3 Predictive Insights: AI-based revenue/churn forecasting.
